The Varsity Team rated fifth place in the league. Many team injuries upset the season.

The Junior Varsity, however, was rated second place. They had the best overall record of the Branham's cross country teams. I would rate the '73 season as one of moderate success.

What appeared to be a Championship year was suddenly slowed at midseason with the injury & loss of one of the teams leading scorers, Manuel Vasquez. Freshman Football

The freshman class of Branham high School fielded their first team in the fall of 1973. As this is the starting point for their future Branham athletics there was great emphasis placed upon individual development. This particular team have the desire that will, in our estimation, develop into a winning spirit for Branham for the years to come.

This year's Bruins Varsity Wrestling team was a team composed mainly of Freshmen and Sophomores. The team certainly took its lumps at the beginning of the season but through dedication and improvement progress was made towards the completion of the season. Standouts for the team, all of who wrestled through the league competition undefeated were, Don Brown 106 lbs., Ken Cina 115 lbs., and Howard Meyer both placed second in the W.V.A.L. league finals with Dan Brown going on to place 5th. in the Division II Tournament.

VARSITY SOCCER

The Branham varsity soccer team experienced a sixth place finish for the 74 league season. The previous low was fourth recorded by last years team.

The practice season ended with three wins and an equal number of losses. The team played very strong opponents including Bulhser, Pioneer and Santa Clara. The league season caused much frustration as our fine team couldn't score. The pace of the game often favored Branham, but the end result recorded five losses in a row.

Late in the season, back at full strength from numerous injuries, the forwards found the goal and the team beat Westmont, a league leader Del Mar, then ripped Campbell 4 to 0. Prospect hung on to just slip by us 1 to 0 win to end the schedule.

The league record fails to give credit to a team of fine athletes that couldn't get a break until too late in the season. Their fine performance is what one could expect from men that aren't quitters.

JV SOCCER

The JV soccer team had one of its most successful seasons in recent years. Our league record was 6-2-1 and overall we were 9-4-1. Ours was the second best record in the league and we were only a ½ game out of 1st place. We placed 4 players on the All-League Squad: Duke Triplett, Rich Lopicolo, Jim Hakala and Jose Sanchez. In addition Duke and Rich were selected most valuable players by the coaches and the team. We now have a talented group of players to send to the varsity squad next year.

1973-74 Season

The 1973-74 season was one that will long leave bitter sweet memories. Bitter because of great hopes lost due to injury and illness; but sweet because of how each player had the self-pride to put it all together as a member of the team and win with team effort.

The team ended up in fourth place in league play with a 10-8 win-loss record and an overall 14-10 season record.

One highlight of the season was a third place finish in the annual Westmont Christmas Tournament, with Neil Wehner and Brian McNiff being named on all-tournament team. All League honorable mention - Brian McNiff, Steve Bell, Neil Wehner, Earl Williams.

Senior Class Breakfast

You may wonder what seniors do in the morning before school. One particular day, Tuesday November 20th, we met at Uncle John's Pancake House at 5:30 a.m. Everyone had an ultra good time, enjoying breakfast with their classmates. A few of us won't forget driving Sue Kritzer while she was looking around for a gas station.

1974-Senior of the Year

GLENN KUMANO

There are certain people who leave a lasting impression on all who know them. Senior Glenn Kumano is one such person. During his four years at Branham, Glenn has not only been a top scholar, but a leader in student government as our ASB president. Glenn has also found time to be involved in wrestling and Key Club. The Ursa Maior Staff has found Glenn to have been an invaluable asset to Branham High School.

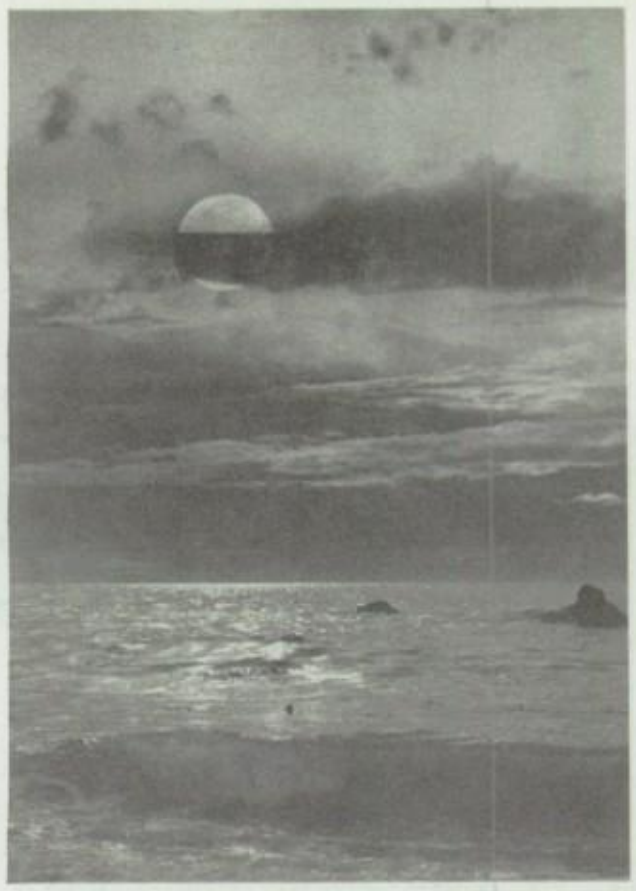
Dedicated to the Rememberance
Bob Greene:

What can I say to ease the pain? To bring the sunshine, and stop the rain what can I say to make this day happy? The sun will rise, the sun will fall, and I'll be here, to see them all. For I am here, deep inside your memory. Though my days were short and travels few, my thoughts were many, my friends were true and I'll remember all of you, forever. When you think of me, don't cry and weep for I am only fast asleep.

And one day soon again we'll meet, in heaven so look ahead and use your time I wish that I could give you mine and remember me, for I will be there, always.

Eric French



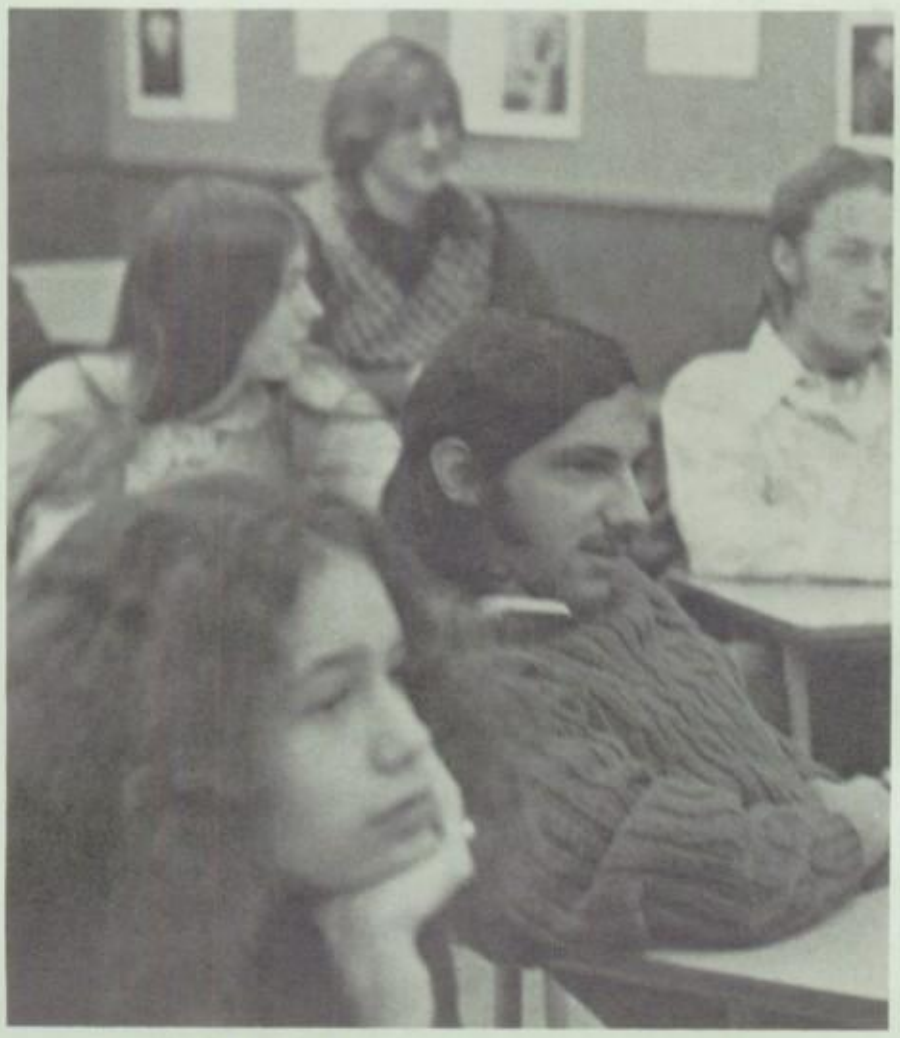
"Seconds tick the time out
there's so much left to know
and I'm on the road to find out"
(Cat Stevens)

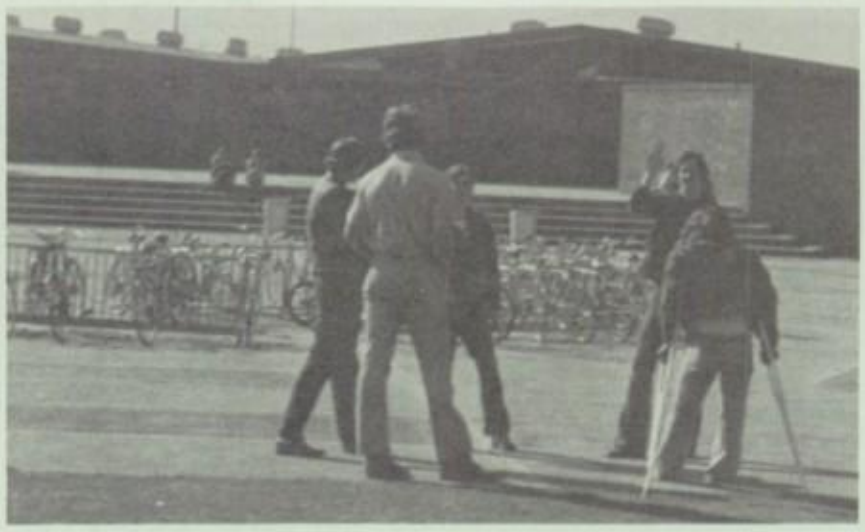
Bob Greene
June 3, 1956 - April [illegible], 1984

Bob Greene

Bob Greene enjoyed every aspect of life,
so interested in others
I truly loved every moment spent with Bob,
I love Bob as a brother
for this, we will never lose Bob Greene.

Joe Conte





"Seasons change with the scenery
weaving time in a tapestry.
Won't you stop and remember
me?"

(Simon and Garfunkel)

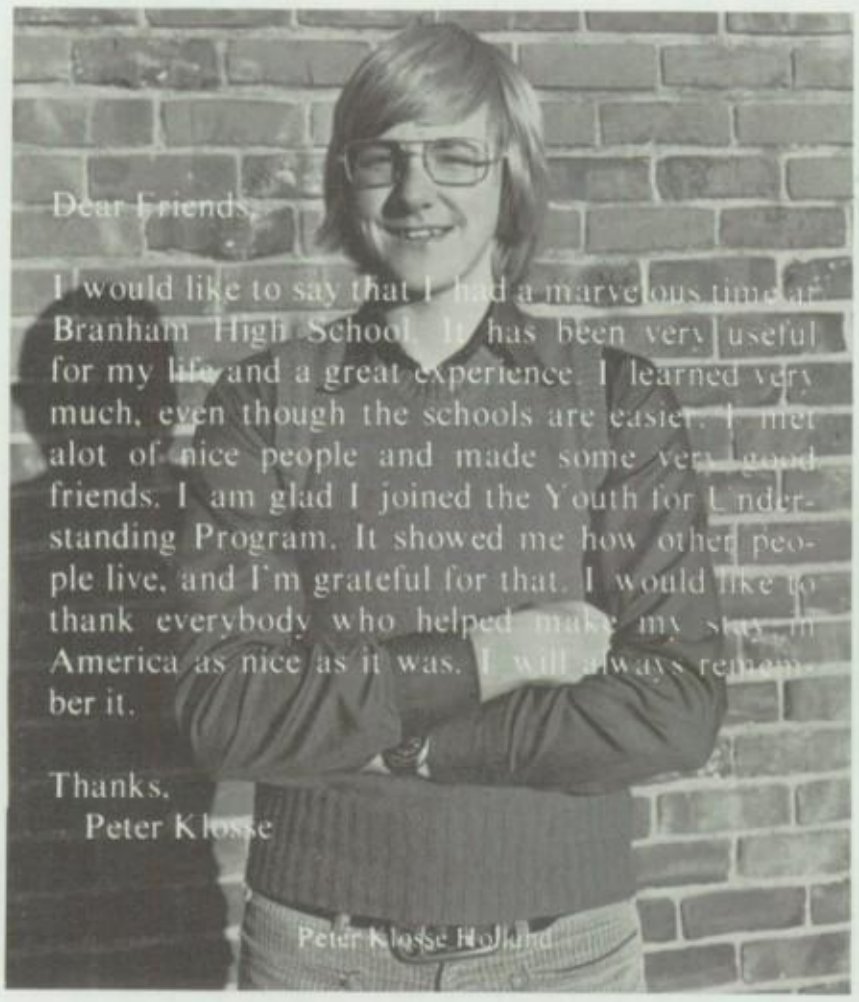
FOREIGN EXCHANGE



Dear Friends,
I would like to say that I had a marvelous time at Branham High School. It has been very useful for my life and a great experience. I learned very much, even though the schools are easier. I met alot of nice people and made some very good friends. I am glad I joined the Youth for Understanding Program. It showed me how other people live, and I'm grateful for that. I would like to thank everybody who helped make my stay in America as nice as it was. I will always remember it.
Thanks,

"We've got spirit. Yes we do. We got spirit how about you?"
That was the biggest question going around this year and I think we all answered it with all the participation we had from everyone this year. I'd really like to thank pep club for backing us up at all the games, rallies, and the paint parties we had. But I would especially like to thank the students for making it a successful year.

Thankyou

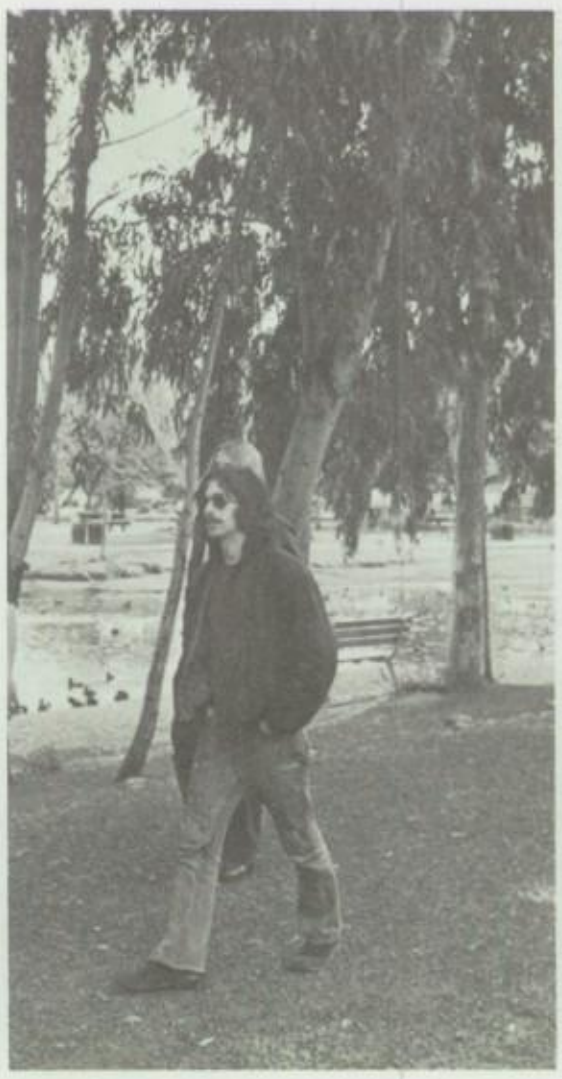
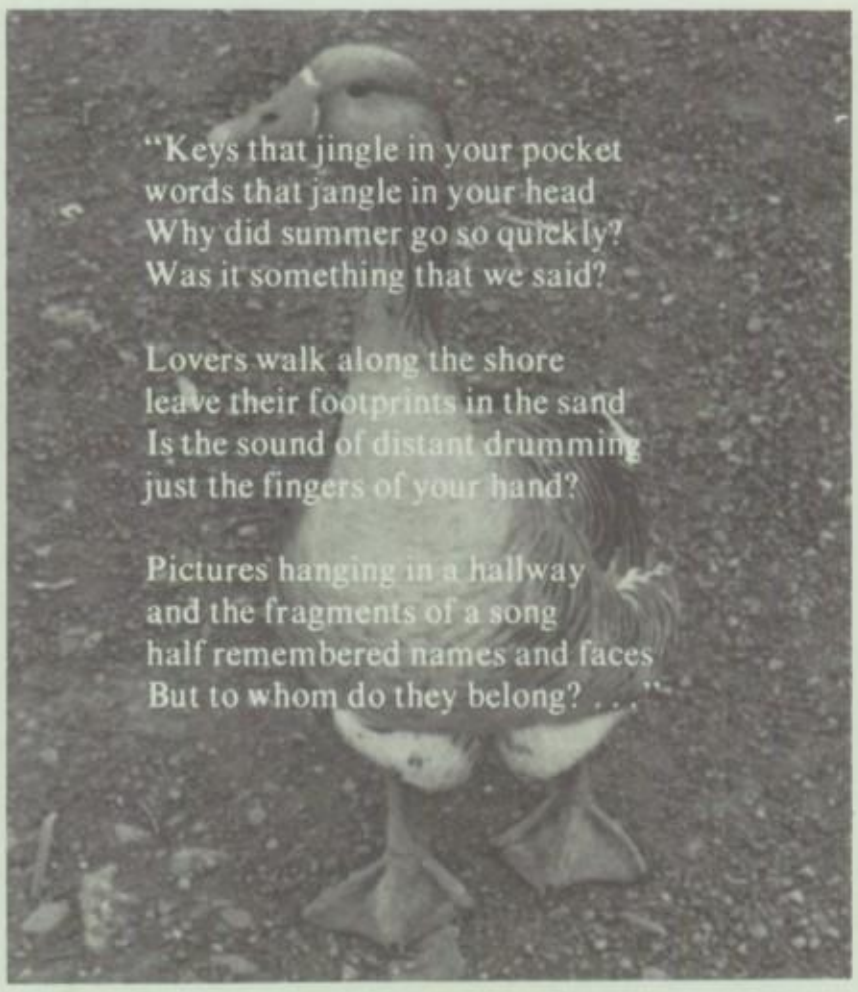
"Pom Pom Playgirl" (Beach Boys)

"Round, like a circle in a spiral
like a wheel within a wheel
never ending or beginning
on an ever spinning wheel.

Like a snowball down a mountain
or a carnival balloon
like a carousel that's turning
running rings around the moon.

Like a clock whose hands are sweeping
past the minutes of it's face
and the world is like an apple
Whirling silently in space. . ."

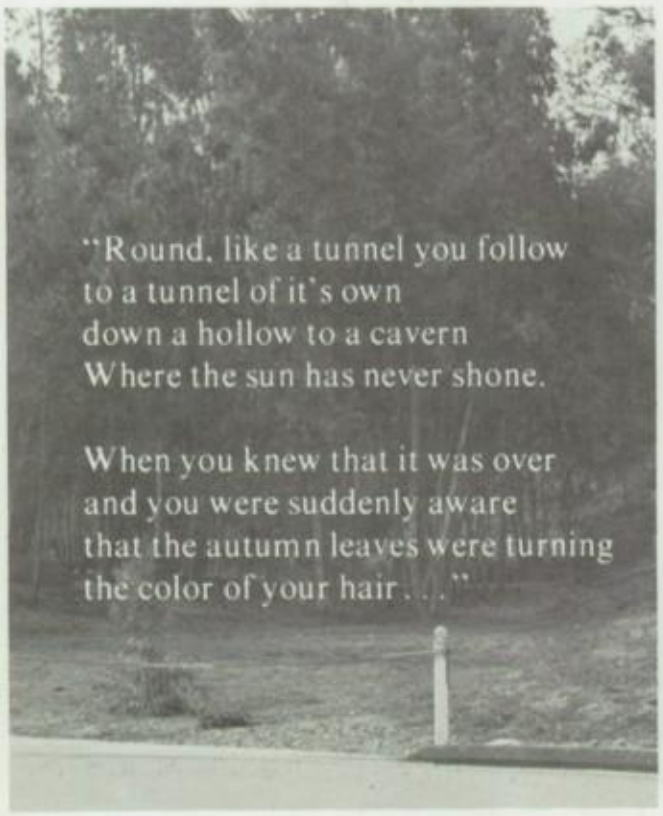




"Keys that jingle in your pocket
words that jangle in your head
Why did summer go so quickly?
Was it something that we said?

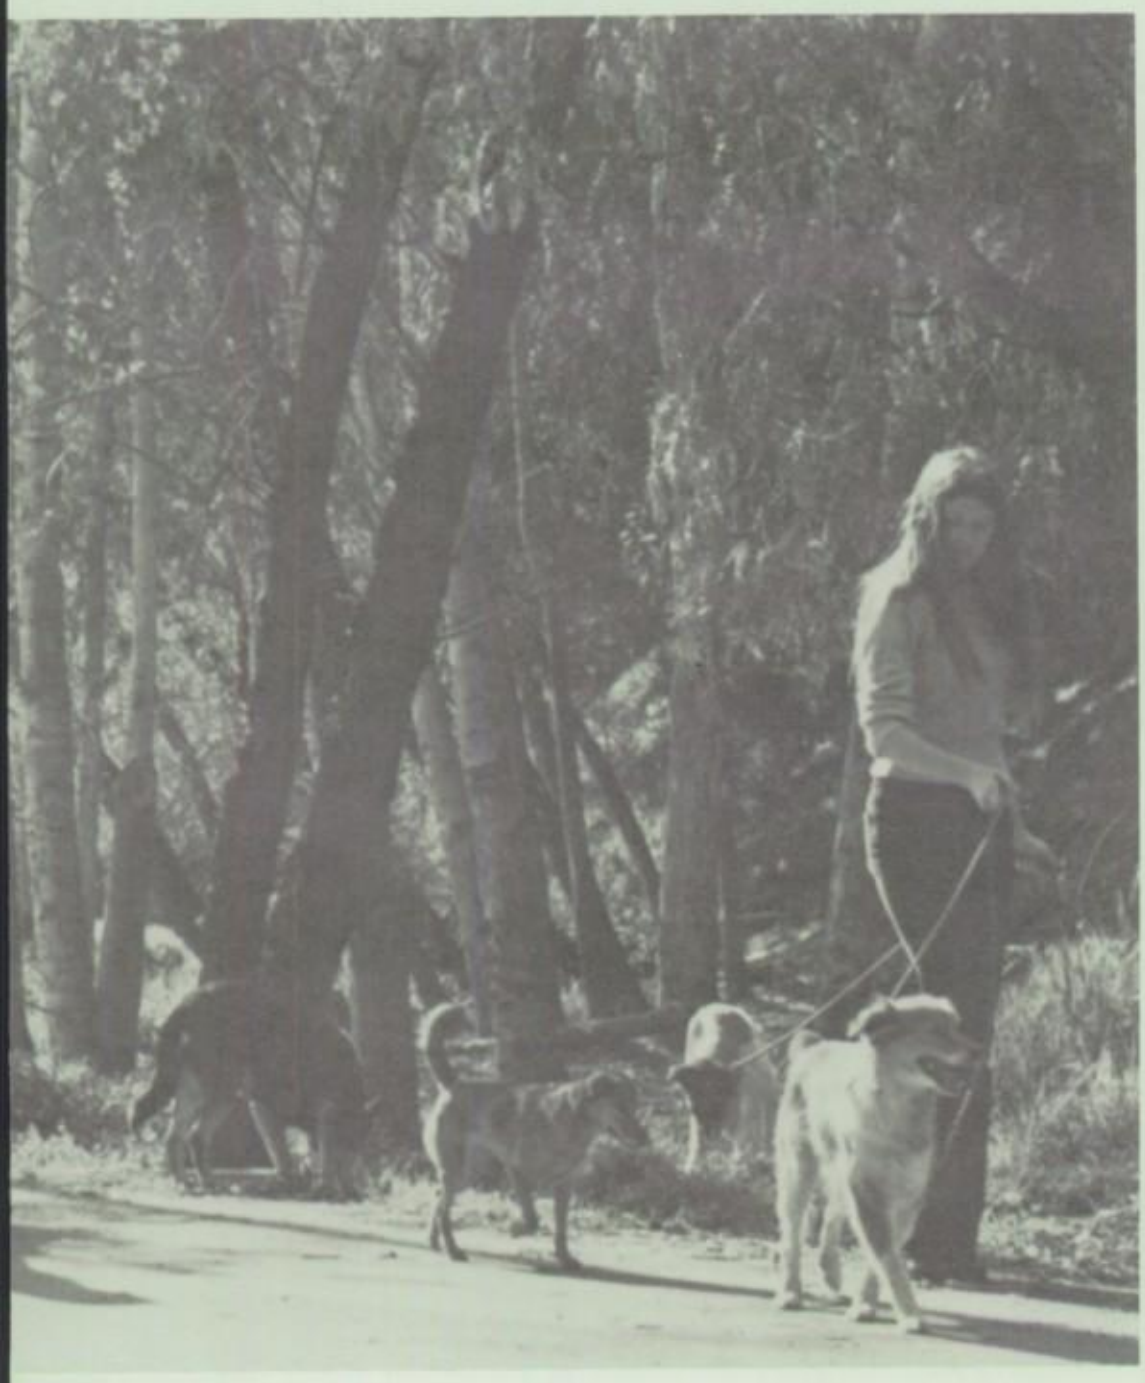
Lovers walk along the shore
leave their footprints in the sand
Is the sound of distant drumming
just the fingers of your hand?

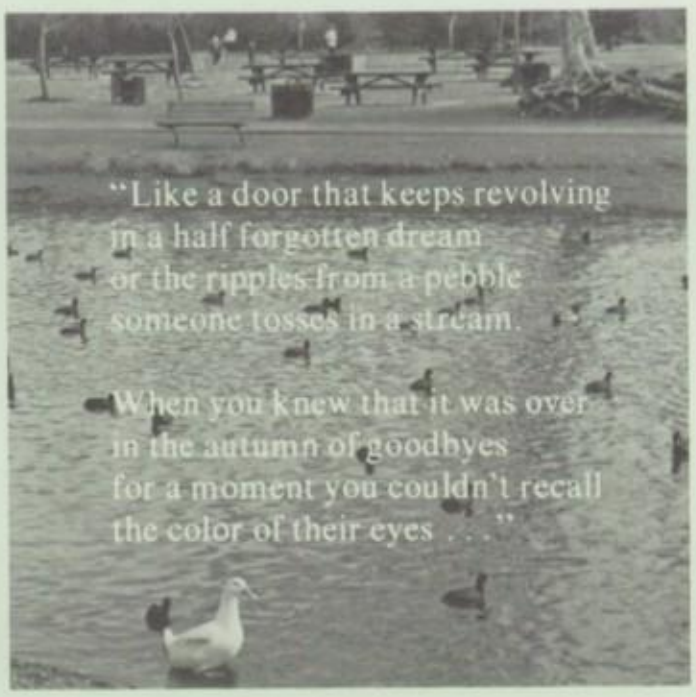
Pictures hanging in a hallway
and the fragments of a song
half remembered names and faces
But to whom do they belong? . . ."



"Round, like a tunnel you follow
to a tunnel of it's own
down a hollow to a cavern
Where the sun has never shone.

When you knew that it was over
and you were suddenly aware
that the autumn leaves were turning
the color of your hair . . ."





"Like a door that keeps revolving
in a half forgotten dream
or the ripples from a pebble
someone tosses in a stream.

When you knew that it was over
in the autumn of goodbyes
for a moment you couldn't recall
the color of their eyes . . ."

Mr Dyer,
This year was pretty
good I guess even though
I had a lot of problems but
I came thru, see you next year
in band
